Refer to 6.24 for exterior/building maintenance.

2.5.2 Lot Owners. Each Lot Owner hereby covenants and agrees to maintain that area of his respective Lot as described above in Section 1 and the Unit located thereon in the same condition as a reasonably prudent homeowner would maintain his or her own, home so that the entire real property will reflect a high pride of ownership. If any Lot Owner shall fail to maintain his or her Lot or the Units located thereon in the same condition as a reasonably prudent homeowner, the Association, after approval by two-thirds (2/3) vote of the Board shall have the right to notify said lot Owner in writing of the maintenance required. If said notice is delivered to the non-performing lot Owner, and no action is taken for a period of thirty (30) days, The Association shall have the right, through its agents and employees, to enter upon said Lot and provide such maintenance, and to levy an assessment against the non-performing Lot Owner and his/her Lot or the cost of providing said maintenance. The Association shall have all the remedies for collection as provided in Article of the Declaration.

Each lot Owner by acceptance of a deed or other conveyance, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to The Association all common expenses assessed against his Lot by The Association, including, but not by way of limitation: (1) monthly assessments or charges, and (2) special assessments, such assessments to be fixed, established and collected from time-to-time as hereinafter provided. An initial assessment equal to two (2) months dues shall be paid by each original Lot purchaser, and thereafter paid monthly. The monthly and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with 12 percent interest, $35.00 processing fee, and additional costs of collection thereof (including reasonable attorney's fees) shall also be the personal obligation of the person who was the Lot Owner when the assessment fell due. There will be no assessment on any lot until a TownHome on such lot is completed and sold.

2.5.4 Purpose of Monthly Assessments. The monthly assessments shall constitute a common expense fund and shall be used for the payment of those expenses authorized by the Declaration and the Bylaws of The Association, for the benefit of the Lot Owners and for the improvement and maintenance of the Common Area and improvements, including, without limitation:

Perpetual monthly assessments shall commence 30 days from closing of a completed TownHome or occupancy. There shall be no monthly billing statements. It is the TownHome owner's sole responsibility to mail all monthly assessments to The Association's address.

(b) Within thirty (30) days prior to the beginning of each fiscal year of The Association, The Board shall estimate the net charges to be paid by The Association during the coming year for the purposes specified in Section 2 of this Article 2 (including a reasonable provision for contingencies and replacements and less any expected income and any surplus from the prior year's fund); thus dividing the estimated net charges by the number of lots and assess each Lot Owner such amount in accordance with the number of Lots owned. The Association's fiscal year commences January 1. If the estimated cash requirement proves inadequate for any reason, including nonpayment of any Lot Owner's assessment, a further assessment may be levied, which shall be assessed in like manner. Each Lot Owner shall be obligated to pay assessments made pursuant to this paragraph to The Association in equal monthly installments on or before the first day of each month during the year. However, the Board of Directors may provide for quarterly payments in lieu of monthly payments.
(c) All funds collected hereunder shall be expended for the purpose designated herein.

(d) The omission by the Board before the expiration of any year to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Lot Owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed. The new assessment shall be determined as provided in Paragraph (b) above and shall apply prospectively for the balance of the year and until the next assessment is fixed.

(e) The Association shall keep detailed accurate records, in chronological order, of the receipts and expenditures affecting the Common area and buildings, specifying and itemizing the operation, maintenance, replacement and repair expenses of the Common Area and any other expenses. Records and vouchers authorizing the payments involved shall be available for examination by the Lot Owners by appointment only during business hours on weekdays.

2.6 Property Entry Signs. If landscape/entry sign easement(s) are on a lot(s), The Association shall hereafter maintain such project entry and identification signs and related landscaping, fencing and improvements, as deemed necessary. The Lot Owners shall have no right to use these easement areas, except to maintain, repair or improve the entry sign and landscaping. The Owners of the lots subject to these easements may not do anything in the easement areas which is inconsistent with, or detrimental to their intended purpose.
